

# On The Road Again

C: II / G-DUR

*Willie Nelson*

**<Count 4!>** On the road again

Just can't wait to get on the road again

The life I love is making music with my friends

And I can't wait to get on the road again

On the road again. Going' places that I've never been  
seeing' things that I may never see again

And I can't wait to get on the road again.

*On the road again*

*like a band of gypsies we go down the highway.*

*We're the best of friends*

*Insisting that the world keep turning our way, and our way*

Is on the road again

I just can't wait to get on the road again

The life I love is making music with my friends

And I can't wait to get on the road again

**<mellempil>**

*On the road again. Like a band of gypsies ..*

Is on the road again

Just can't wait to get on the road again.

The life I love is making music with my friends

and I can't wait to get on the road again **X3**
